Photo Rules:

No nudity, however bikini's are welcome and even encouraged!

We reserve the right to refuse any photo based on content.

If your photo is with multiple people, make sure you crop them out.

Make sure your clothing isn't the same color as the background.

If you wear a hat in your photo, make sure it doesn't cast a shadow that will conceal your face.

Don't hide your pride, wear RAD Radio Apparel for extra credit!

If you wear a mask in your photo, your cut-out will be placed in quarantine for 14 days.

If you are a glasses wearer, try angling your face to prevent glaring and avoid using flash.

Good lighting is a must! Try not to stand in front of a window or door when taking your photo.

Choose a solid-colored wall for your photo's background.

Have someone else take your photo or use the self-timer capability available on most smartphones. Selfies will not be able to be cropped.

If you use a smartphone to upload your photos, make sure the file is as large as possible.

Whoever's snapping the photo should take a vertical picture of you at eye level while including a small background space.

Email a pre-existing photo or scanned photo:
Preferred file size is 3024px by 4042px at 72 DPI.
Smaller files may appear blurry. To check the file size, right click on the photo in your finder window for more information.

**Email your high resolution photo to sales@blackdoggraphix.com
(please include your name & order number in the email)**
